FEDERAL AID IN FISH RESTORATION ANNUAL PROGRESS REPORT

JOB TITLE: Fishing Access - Region 1
PROJECT NUMBER: F-76-D-8
PROJECT LEADER: Paul Hanna
ASSISTANTS: Pat Cole
Tom Fulton
John Nigh
PROJECT PERIOD: July 1, 1992 to June 30, 1993

Need:

The Department has acquired by fee title or easement access to public waters. Some of the properties have been developed to provide for boat launching, fishing, parking, and camping. Restrooms have been installed at some areas. These public access areas need to be developed or improved and maintained. Some improvements are in need of replacement or repair. Many of the facilities are not accessible to the disabled and have to be upgraded.

Objective:

To provide for operation, maintenance, development, renovation, improved access, or safer access to public waters for fishing recreation.

Expected Results and Benefits:

Increased effort on maintenance, repair, and renovation will result in cleaner, safer public access areas. Improved and additional facilities will allow more people access to public waters for fishing or other recreational activities. Improved facilities will allow greater use by disabled individuals.

Approach:

Operate and maintain 18 public access areas in Region 1.

Location:

1. Improvements and Renovation

Purchase or construct new fishing docks or piers. Construct or renovate boat launching ramps. Construct parking areas. Install new restrooms or vault toilets. Construct new camping spaces with tables and fire pits. Modify existing facilities to make them accessible to the disabled.

Fishing access areas were improved or renovated as follows:

Site	County	Improvements	Estimated Costs
Freeman Lake	Bonner	Received State of Idaho permit for lake encroachment. Installed Installed an additional cedar float log dock.	\$2,500
Granite Lake	Bonner	Received State of Idaho permit for lake encroachment. Removed old docks and installed two new ones.	3,000
Kelso Lake	Bonner	Received State of Idaho permit for lake encroachment. Removed old docks. Installed nine new docks and new anchors.	15,000
Mirror Lake	Bonner	Negotiations with landowner to enlarge existing easement. Negotiations ongoing.	0
Muskrat Lake	Bonner	Negotiate and receive lease from Union Pacific Railroad for access site.	500
Shepherd Lake	Bonner	Add concrete ramp blocks to boat launch. Construct handrail and modify dock ramp to improve handicapped accessibility.	1,000
Dawson Lake	Boundary	Removed old docks from boat ramp and replace them with two cedar float log docks. Erect directional sign on Meadow Creek Road.	4,000
•Mineral Ridge-Coeur d'Alene Lake	Kootenai	Department cost-shared improvements with BLM to add two new docks, pilings, railings, and handicapped accessible ramp.	5,000
North Fork of the Coeur d'Alene River	Shoshone	Preliminary negotiations with landowner for fishing access site.	0

2. Maintenance

Repairs and upkeep to include cleaning toilets; controlling weeds in parking or camping areas; removal of refuse; pumping of toilet vaults; replacement of damaged facilities such as toilets, concrete boat ramps, signs, and parking barriers; rebuild fishing docks; paint facilities; and other repairs deemed necessary. Monitor public use.

Fishing access sites were maintained or repaired as follows:

<u>Site</u>	<u>County</u>	<u>Activity</u>	<u>EstimatedCosts</u>
St. Maries River- Cardwell Crossing	Benewah	Routine maintenance.	\$100
St. Maries River- Lotus	Benewah	Routine maintenance.	100
St. Maries River- WMA	Benewah	Routine maintenance.	100
Freeman Lake	Bonner	Routine maintenance. Provide picnic tables.	400
Granite Lake	Bonner	Routine maintenance. Provide picnic tables.	300
Jewel Lake	Bonner	Routine maintenance. Provide picnic tables.	400
Kelso Lake	Bonner	Routine maintenance. Pump vault toilets.	400
Mirror Lake	Bonner	Routine maintenance. Provide scheduled garbage pickup.	200
Muskrat Lake	Bonner	Routine maintenance.	500
Shepherd Lake	Bonner	Routine maintenance. Provide picnic tables. Repair sign vandalism. Provide scheduled garbage pickup.	400
Sunnyside Park on Pend Oreille Lake	Bonner	Routine maintenance. Provide portable toilet.	500

Site	County	Activity	Estimated Costs
Bonner Lake	Boundary	Routine maintenance. Provide picnic table.	\$400
Dawson Lake	Boundary	Routine maintenance. Pump vault toilets.	500
Movie River	Boundary	Routine maintenance.	200
Spirit Lake- Coop w/Inland Paper Co.	Kootenai	Routine maintenance. Provide portable toilet.	400
Thompson Lake- Northside	Kootenai	Routine maintenance.	100
Wolf Lodge Creek	Kootenai	Routine maintenance.	100
Snow Peak	Shoshone	Routine maintenance.	200

Summary of Costs:

Salaries and wages	\$13,200
Operations	1,700
Capital improvement*	<u>21,400</u>
Total estimated costs*	<u>\$36,300</u>

*Includes cooperative funding.

FEDERAL AID IN FISH RESTORATION ANNUAL PROGRESS REPORT

JOB TITLE: Fishing Access - Region 2
PROJECT NUMBER: F-76-D-8
PROJECT LEADER: Gary R. (Sam) McNeill
ASSISTANT: Tim Morin
PROJECT PERIOD: July 1, 1992 to June 30, 1993

This project operated and maintained 30 public access areas in Region 2.

1. Improvements and Renovations

Improvements included: purchase or construction of new fishing docks or piers; renovating boat launching ramps; constructing parking areas; installing new vault toilets; and constructing new camping spaces with tables and fire rings.

Fishing access areas were improved or renovated as follows:

Site	County	Improvements	Estimated Costs
Campbell's Pond	Clearwater	Purchased two handi-capped access ramps; put in six sections of fishing docks; piled slash from logging operation; removed three old toilets; installed one new handicapped-accessible toilet; graveled trail.	\$8,100
Spring Valley Reservoir	Latah	Purchased 15 sections of boat dock and three handi-capped-access ramps; installed 12 x 32 ft concrete trailer pad with electric hookup for caretaker; graveled 1 /4 mile of trail; constructed 1 /2 mile of new trail; cleaned out 1 /2 mile of old skid road.	15,100
Mann Lake	Nez Perce	Installed concrete handi-capped access pad for one toilet.	200

2. Maintenance

Routine maintenance, repairs, and upkeep included: cleaning toilets; controlling weeds in parking and camping areas; removal of refuse; pumping of toilet vaults; replacement of damaged facilities such as toilets, concrete boat ramp logs, signs, parking barriers; and other repairs deemed necessary. Monitor public use.

Fishing access areas were maintained or repaired as follows:

<u>Site</u>	<u>County</u>	<u>Activity</u>	<u>Estimated Costs</u>
Campbell's Pond	Clearwater	Routine maintenance.	\$400
Clearwater Hatchery	Clearwater	Routine maintenance	300
Spring Valley Reservoir	Latah	Routine maintenance.	2,500
Mann Lake	Nez Perce	Routine maintenance.	700

Summary of Costs:

Salaries and wages	\$ 6,300
Operations	5,200
Capital improvements'	<u>24,400</u>
Total estimated costs	<u>\$35 900</u>

'Includes cooperative funding

FEDERAL AID IN FISH RESTORATION ANNUAL PROGRESS REPORT

JOB TITLE: Fishing Access - Region 3
PROJECT NUMBER: F-76-D-8
PROJECT LEADER: Dale VonSteen
ASSISTANT: Dennis Hardy
PERIOD COVERED: July 1, 1992 to June 30, 1993

Need:

The Department acquired access to public water for public use. These sites have been developed, and these facilities need to be renovated and/or maintained. Public use requires developments on both newly-acquired and older sites.

Objectives:

To provide safe and easy access to public waters for the sport fishing public, provide maintenance and renovation to existing sites, and develop newly-acquired sites.

Results and Benefits:

As a result of the increased efforts on repair and maintenance, the access sites are cleaner and safer for public use. The users have benefited from additional facilities that were installed.

Approach:

Operate and maintain 75 public fishing access sites in Region 3.

Location:

1. Im^provements and Renovations

A Utility Craftsman was added to the staff this past project year. He and three temporary employees are managing and developing all access sites in Region 3. With this addition in manpower we are beginning to meet project goals.

A volunteer campground host was selected to manage public use at Horsethief Reservoir. Public use at Horsethief has increased dramatically the last four or five years. A full time person was needed to insure proper use by the camping public.

A major development plan is being formulated for Horsethief Reservoir. With the increase in public use, improved facilities are needed to minimize public impact.

During the project year toilets were purchased and stockpiled for future installation.

Site	County	Improvements	Estimated Cost
Grasmere	Owyhee	Install cattle guard	Not completed
Claytonia	Owyhee	Install parking lots, etc.	Not completed
ConShea	Owyhee	Obtain road easement	Right-of-way obtained by BLM
Roberts	Washington	Install toilet	Not completed

Handicap Improvements and Renovations

Site	County	Improvements	Estimated Cost
Eagle Hatchery	Ada	Install toilet	Not completed
Horseshoe Bend Mill Pond	Boise	Hard surface ramp, dock	Not completed
Wilson Springs	Canyon	Dock, hard surface ramp, ground parking lot	Not completed \$ 400
Duff Lane	Canyon	Install toilet	Not completed
Star Lane Pond	Gem	Evaluate need for dock. Hard surface ramp.	Not completed
Airport Pond	Gem	Evaluate need for dock. Hard surface ramp.	Not completed
Crane Falls/ Cove Arm	Owyhee	Install fishing docks hard surface ramps, toilet, road repair	\$8,000
Tripod	Valley	Install toilet, ramps	\$4,000
Tamarac	Valley	Install planking, railing, fishing bridge	Pending
Paddock Valley Reservoir	Washington	Install hard surface ramp, toilet	Not completed

2. Maintenance

Routine maintenance operations were conducted on all fishing access areas. Activities included, but were not limited to, painting, signing, pumping toilets, vegetation control, refuse cleanup, and road repair.

Two maintenance contracts were issued for the sites along the Snake River and adjacent to the C.J. Strike Reservoir. Bids were secured through competitive bidding. Contracts were given to the low bidders. The sites are being well maintained by the contractors.

In late May, a severe thunderstorm occurred in the Crane Falls/Cove Arm area and caused major damage to the access road. Emergency repairs were done.

Worked with adjoining property owners in solving a trespass problem at the Weiser Bass Ponds. A permanent road easement was granted.

Site	County	Activity	Estimated	Cost
C. Ben Ross Reservoir	Adams	Clean toilets refuse cleanup, sign	\$200	
Little Salmon River: Trail Creek Hazard Creek Fall Creek	Adams	Refuse cleanup, signs	200	
Horseshoe Bend Mill Pond	Boise	Clean inlet/outlet and refuse cleanup, sign	150

FEDERAL AID IN FISH RESTORATION ANNUAL PROGRESS REPORT

JOB TITLE: Fishing Access - Region 4
PROJECT NUMBER: E-76-D-8
PROJECT LEADER: Dale Turnipseed
ASSISTANTS: Dave Musil, Terry Gregory
Bill Gorgen, Tony Apa
PERIOD COVERED: July 1, 1992 to June 30, 1993

Need:

The Department has acquired by fee title or easement access to public waters. Some of the sites have been developed to provide for boat launching, fishing, parking and camping. Restrooms have been installed at some areas. These public access areas require annual maintenance. Some of the access areas need to be renovated or improved. Some improvements are in need of replacement or repair.

Objective:

To provide for operation, maintenance, renovation, or handicap-approved access to public waters for boating and fishing recreation and for public use of the fishing resource.

Results:

Increased effort on maintenance, repair and renovation resulted in cleaner, safer, handicap approved access areas. Improved facilities will allow more people and boats access to the public waters for fishing or other recreational activities.

Approach:

Operated and maintained 30 public access areas in Region 4.

1. Maintenance and Operation Activities

Repairs and upkeep included cleaning toilets, maintain water control structures, repairing fences, controlling weeds or other unwanted vegetation in parking or camping areas, removal of refuse, pump out of toilet vaults, replace damaged or substandard facilities such as toilets, concrete boat ramp logs, signs, parking barriers, rebuilt boat/fishing docks, paint facilities and other repairs deemed necessary. Monitor public use.

FEDERAL AID IN FISH RESTORATION
Annual Progress Report

JOB TITLE: Fishing Access - Region 5
PROJECT NUMBER: F-76-D-8
PROJECT LEADER: Paul Wackenhut
PERIOD COVERED: July 1, 1992 to June 30, 1993

Need:

The Department administers 50 fishing access areas throughout the region. Many of these are owned all or in part by the Department. Others involve leases, easements or other use agreements with other agencies or private individuals. The Department has contractual agreements with all seven counties in the region. Through these agreements the department provides funding in exchange for maintenance and improvements at the sites. Counties are contacted each year to determine needs for docks, signs, toilets, etc. Meetings are held annually or as needed with the Region 5 Outdoor Recreational Task Force consisting of representatives of the counties.

Results:

1. Improvements and Renovations

Site	County	Improvements	Estimated Cost
Wiregrass Reservoir	Bannock	This reservoir had no water in the 1992 fishing season. Weed spraying was contracted through Bannock co. There is water in 1993 and a toilet has been provided.	\$300
Upper Portneuf	Bannock	Provided weed control. Initiated a fencing project to exclude cattle from the riparian area.	800
Lower Portneuf	Bannock	Provided weed control and a portable toilet. Arranged with Bannock Co. to have a trash heap removed. Rental toilet.	300
Hawkins Reservoir	Bannock	Six boat docks were provided.	

Site	County	Improvements	Estimated Cost
North Beach	Bear Lake	Met with county officials and attended public meeting. Committed to provide matching funds on a project to extend the ramp for use during low water years. (separate account)	\$ 10,000
	Bingham	Visited all sites along the Snake River with members of the Bingham County Waterways Committee to observe and discuss concerns. Also attended some of the Committee meetings.	
Tilden Bridge	Bingham	Provided a portable toilet. Authorized and funded (separate account) an engineering study for improvement of the boat ramp.	300
Blackfoot Reservoir	Bingham	Provided funding to the county agreed for a portable toilet and a	
Poison Creek	Bingham	handicapped accessible toilet.	800
Springfield Reservoir			
Riverton	Bingham	Met with the adjacent landowner at the site on two occasions to address concerns there.	
Pingree	Bingham	Met with the adjacent landowner to discuss concerns. We proposed a trade of the existing easement for a different access point with a new easement. The old toilet at the site was removed and the county will be reclaiming ramp blocks.	
Sportsmans Park	Bingham	Provided 8 docks.	
McTucker Ponds	Bingham	Provided a portable toilet in 1993 only.	75

Site	County	Improvements	Estimated Cost
Blackfoot Reservoir	Caribou	Provided funding to the county as agreed for portable toilets and other services.	1,000
	Caribou	Initiated a study to identify additional low water access sites.	
	Caribou	Initiated a study to consider improvements to boat ramp.	
24 Mile Reservoir	Caribou	Have reached an agreement with BLM for an easement to assure continued use of the property.	
Blackfoot River Park	Caribou	Provided signage to notify campers of regulations regarding length of stay.	
Condie Reservoir	Franklin	Provided funding to the county as agreed for portable toilets and other services.	1,000
		Provided six boat docks.	
	Franklin	Provided matching funds to assist with reconstruction of a boat ramp (separate account).	
Glendale Reservoir		Met with Mr. Condie and agreed upon terms for a road easement. The easement agreement has been drawn up and is pending signature by Mr. Condie.	13,000
	Franklin	Committed matching funds for upgrade of the main access and provision of handicapped accessible facilities. (separate funding)	
	Oneida	Provided funding to the county as agreed for portable toilets and other services.	

Provided eight boat docks.

Site	County	Improvements	Estimated Cost
Daniel's Reservoir Deep Creek Reservoir	Oneida	Met with county officials to develop plans for additional development.	
East Fork Rock Creek	Power	Provided funding for portable toilets.	\$1,730
Eagle Rock	Power	Provided funding for repair of access road washed out by spring runoff.	600

ANNUAL PROGRESS REPORT**

JOB TITLE: Fishing Access - Region 6
PROJECT NUMBER: F-76-D-8
PROJECT LEADER: Frank DeShon
ASSISTANT: James Moore
PROJECT PERIOD: July 1, 1992 to June 30, 1993

Need:

Fishing access sites in Region 6 need some major improvements to be safe, sanitary, usable areas. Improvements needed include installation or replacement of sanitary facilities, reconstruction of access roads and parking areas and fencing.

Objective:

The objective is to provide clean, safe, usable areas for approximately 12,000 fisherman visits.

Results and benefits:

1. Improvements and Renovations

Site	County	Improvements	Estimated Costs
Little L. River	Butte	Build a parking lot, install stiles	\$2000
Mackay Dam	Custer	Build handicap fishing platform	2000
Sand CK	Fremont	Continue handicap improvements	2000
Roberts Gravel Pond	Jefferson	Continue handicap improvements	2000
Rexburg Gravel Ponds	Madison	Install toilet	3500

2. Maintenance

Routine maintenance was performed 30 fishing access areas in Region 6. This included minor fence repairs, litter pickup and pumping of toilets as needed.

Site	County	Activity	Estimated Costs
Seventy Ck	Bingham	Routine maintenance	\$ 500
Willow Ck 1 & 2	Bingham	Routine maintenance	1000

**FEDERAL AID TO FISH RESTORATION
ANNUAL PROGRESS REPORT**

JOB TITLE: Fishing Access - Region 7
PROJECT NUMBER: F-76-D-8
PROJECT LEADER: Robin Holmquist
PROJECT PERIOD: July 1, 1992 to June 30, 1993

Need:

Fishing access sites in Region 7 have had minimal maintenance for several years and many require some major improvements to be safe, usable areas. Improvements needed include installation or replacement of sanitary facilities, reconstruction of access roads, parking areas and fencing.

Objective:

The objective is to provide clean, safe and usable areas for approximately 3,000 fisherman visits.

1. Improvements and Renovations

Site	County	Improvements	Estimated Cost
Ellis	Custer	Old toilets were removed. MOU is being developed with BLM before new are built.	\$ 100
Bedke	Custer	MOU with BLM for development of access.	100
Chivers	Custer	Road and trail improvements were completed with unauthorized roads removed or blocked to achieve better river access.	400
Mahaffy	Lemhi	Materials on hand and a permit is pending for a new toilet. An agreement was developed with the Dept. of Transportation for road maintenance and development help.	100

Site	County	Improvements	EstimatedCost
Hayden Creek	Lemhi	Materials are on hand and the installation permit was received for FY94 installation of a new toilet.	\$400
Bobcat	Lemhi	Materials are on hand for new fencing and toilet. The Road and approach were repaired.	500

2. Maintenance

Routine maintenance was performed on 12 fishing access areas in Region 7. This includes fence repairs, litter pickup, and sign installation.

Site	County	Activity	EstimatedCost
Lemhi Power	Lemhi	Routine maintenance	\$100
Omohundra	Lemhi	Routine maintenance	100
Deer Gulch	Lemhi	Routine maintenance	100
